

Second Annual plc Pipeline Leadership Conference

NOVEMBER 15-16, 2016
UNIVERSITY OF DENVER
DENVER, COLORADO

"Good mix of contractors and owners. Great networking conference."

"Great insight into market place and industry economics."

"The roundtables and panels were a great way to present information."

This event will bring together thought leaders to discuss innovative approaches and best practices for managing new construction, ensuring safety, improving efficiency and overcoming challenges from inside and outside of the industry.
